Berytech to open in Amchit

Innovation center to open in Q1 2020

Berytech and Michel Issa Foundation (MIF) have launched 'Berytech Amchit', the first business innovation center outside Beirut.

Berytech Amchit will support area entrepreneurs in various fields including ICT, smart agri-food, renewable energy, ecotourism, and social entrepreneurs, said Maroun Chammas, Chairman and CEO of Berytech.

The Amchit location was selected for two major reasons. Ramy Boujawdeh, Berytech's Deputy General Manager, said that the area has a high population and universities, and graduates have shown interest an...[more](#)
